No. 115.—The Board of Commissioners for Hindu Religious Endowments brings to the notice of the Government that though there are in existence in the Karnool district eight temple committees established under the Religious Endowments Act XX of 1863, some of the committees are doing practically no work whilst the others are not carrying out their duties satisfactorily. The committees have left nearly all the temples almost entirely in charge of the archakas, have failed to appoint trustees for individual temples, have not collected rasums in respect of service inams and, in most cases, have failed to keep any accounts. In these circumstances, the Board requests the Government, acting under clause (*c*) of sub-section (1) of section 16 of the Madras Hindu Religious Endowments Act, to abolish all the existing committees in the district and to constitute one central district committee in their place.

2 Before issuing a notification as suggested by the Board the Government under proviso (ii) to sub-section (1) of section 16 of the Act call upon the committees referred to in paragraph 1 above to show cause, if any, against their abolition within a month from the date of the receipt of this order. After the expiry of that period the Government will proceed to pass orders on the Board's proposal.

INDUSTRIAL SCHOLARSHIPS

Industrial scholarships will be awarded by the Director of Industries to pupils learning a trade or profession in recognized industrial schools or to selected apprentices (boys and girls) serving properly arranged apprenticeships for a specified term of training in workshops or mills where provision is made for the apprentices receiving class instruction in working hours for not less than four hours per week in subjects calculated to improve their value as artizans or operatives on completion of their training. The aim of these scholarships is to encourage deserving apprentices and pupils to complete their whole apprenticeship or period of training at one institution or workshop and so to some extent check the present tendency of apprentices to move from workshop to workshop in search of a few annas increase in wages to the detriment of their training and the annoyance of their employers.

2. For the present, sixty scholarships will be awarded per annum tenable in approved schools or workshops or mills for a period of five years or such shorter term of apprenticeship as may be usual in the particular trade or occupation.

The scholarships will be of the value of—

Rs. 1–8 per month during the first year of training.
Rs. 2 per month during the second year of training.
Rs. 3 per month during the third year of training.
Rs. 5 per month during the fourth year of training.
Rs. 7–8 per month during the fifth year of training.

A bonus equivalent to two months' average scholarship will be granted for each year of training to such of the apprentices as satisfactorily complete the whole period of training agreed on at the commencement of the scholarship.

The conditions of award will be as follows :—

(1) All scholarship-holders shall be on probation for six months, after which the scholarship will be confirmed or withdrawn after consideration of a report from the employer or teacher regarding the scholar's work. Scholarships will ordinarily be granted to members of the artizan castes or to others whose families are already in the trade.

(2) No scholarship will be granted to candidates who are over seventeen years of age at the commencement of their apprenticeship, but in the case of Muhammadan candidates, the age-limit may be raised by two years.

(3) The general educational attainments of candidates should be such as would enable them to profit by the training provided. Ordinarily a standard V pass in the primary grade will be regarded as the absolute minimum, but the nature of the trade to be followed, the pecuniary circumstances of the candidate, and his general fitness for the work will be taken into account in deciding whether a candidate is qualified for the scholarship.

(4) The candidate and his guardians must enter into an agreement with the employer that he will faithfully fulfil the conditions of apprenticeship, and, unless prevented by sickness or other circumstances beyond his control, serve the full term of apprenticeship that may be agreed on.

GENERAL REGULATIONS.

3. Applications for scholarships tenable from 1st July 1926 should be submitted by the head of the institution in which a candidate is studying or intends to study or by the candidate's employer or his manager on or before the 1st June 1926. Applications should be accompanied by a 'clearance' certificate from the school last attended and by such other particulars as are likely to assist the Director in arriving at decision, and should be made on forms which may be obtained from his office.

4. The names of selected candidates will be notified by the Director of Industries in the *Fort St. George Gazette*. Each scholarship will come into force on the 1st July 1926.

5. Any scholarship withdrawn during the period for which it is tenable will not be awarded for the remaining period to any other pupil.

6. Heads of institutions and employers may grant leave for a period not exceeding one month to scholars who are absent in consequence of severe sickness; but if the leave exceeds this period, no scholarship will be granted for the period exceeding one month. Casual leave may be granted for good

and sufficient reasons for a period not exceeding fifteen days in the year. If a scholarship holder absents himself without good reason on the reopening day after the vacation or holidays, the scholarship for the vacation or holidays is liable to be withheld by the Director of Industries.

7. No person receiving a scholarship under this notification will be permitted to hold another scholarship, provided wholly or partially by Government, without the special sanction of the Director of Industries.

8. All scholarships are liable to forfeiture for idleness, misconduct, irregularity in attendance or failure to make due progress or to secure annual promotion.

9. A scholarship held in any class or year of apprenticeship shall run from the beginning of the month in which the holder joins the class and shall not be drawn after he ceases to attend the class or leaves the workshop. The scholarships are payable monthly.

10. In all cases where poverty has been made a condition of award, applications will be summarily rejected unless there is evidence to show that but for a scholarship the applicant will not be able to continue his studies.

11. In addition to any register maintained under rule 60 of the Madras Educational Rules, an acquittance roll containing the following information shall be maintained by the heads of the institutions or employers concerned and shall be produced at the time of any departmental inspection of the institution, or workshop or mill:—

(1) Number; (2) name of scholarship-holder; (3) standard of scholarship, (4) monthly value of the scholarship; (5) period tenable; (6) number and date of the order in which the scholarship was sanctioned, (7) month for which the scholarship bill was drawn; (8) date of the encashment of the bill; (9) date of disbursement of the scholarship money and amount; (10) signature of the scholarship-holder; and (11) remarks.

12. Government trust that employers of labour will co-operate with Government in this scheme to the extent of sanctioning recognized classes in their works during working hours or allow their apprentices time off duty to attend classes in the Madras Trades School or any other place where suitable training is provided.

13. Works schools and classes will be eligible for recognition and for a Government grant, provided they are conducted to the satisfaction of the Director of Industries, irrespective of the number of scholarship-holders in attendance.

Madras, 4th February 1926.

NOTICE OF CONDITIONS OF ISSUE OF FIXED FEE FOREIGN LIQUOR LICENCES.

No. 2.—The following notification is issued in supersession of Notification No. 5, dated 30th January 1925, published in the *Fort St. George Gazette*, Part II, dated 10th February 1925,

In exercise of the power conferred on him under section 4 (*p*) of the Madras Abkari Act, 1886, the Commissioner of Excise hereby prescribes, under section 24 of the Act, the following rules for regulating the issue of licences on fixed fees for the compounding, blending, bottling and sale of potable foreign liquors, locally-made foreign liquors and coconut toddy arrack from and after the 1st April 1926 within the limits of the Madras Presidency :—

1. The term 'foreign liquor' in these rules includes all wines, spirits and beer imported into the Presidency by sea or land ; plain rectified spirits imported or locally-made and on which the tariff rate of duty has been paid ; and beer brewed in India or beer imported in a condensed form and afterwards converted into potable beer and duly excised, but excludes locally-made foreign liquor, denatured spirits, coconut toddy arrack and ordinary arrack. In the case of licences to chemists, druggists and other approved firms or persons, however, for the sale of pure rectified spirits only, the term 'foreign liquor' means pure rectified spirits imported from foreign countries by sea or manufactured in this country and excised at the tariff rate of duty.

'Locally-made foreign liquor' is spirit manufactured or compounded in British India and made in colour and flavour to resemble gin, brandy, whisky or rum imported from foreign countries. It is excised at Rs. 17-8-0 per proof gallon ; its sale is permitted in all foreign liquor shops except those licensed for the exclusive sale of beer, medicated wines and rectified spirits.

'Coconut toddy arrack' is spirit manufactured from toddy at the Chowghat distillery in Malabar and excised at Rs. 17-8-0 per proof gallon ; its sale is permitted in all foreign liquor shops except those licensed for the exclusive sale of beer, medicated wines and rectified spirits. The maximum limit of private possession is two imperial gallons.

NOTE.—1. The minimum strengths at which imported and locally-made foreign spirits can be sold are 31° U.P. for gin, 30° U.P. for Calcutta arrack and coconut toddy arrack and 25° U.P. for all other kinds of spirits including Indian arrack, except denatured spirits.

2. 'Rectified spirits' includes 'absolute alcohol'.

'Indian' beer is beer brewed in India (*a*) which contains at least two bushels of malt and two pounds of hops per hogshead and in the manufacture of which jaggery or crude cane sugar is employed, (*b*) which is brewed at a higher original gravity than 1,058° on a standard saccharometer and (*c*) the maximum price of which at the brewery is

Rs. 40-0-0* per hogshead *plus* the excise duty in force at the time of issue.

"2 Licences for the sale of foreign liquors, locally-made foreign liquors and coconut toddy arrack shall be of the following descriptions :—

I. *Wholesale licences for the sale of foreign liquor, locally-made foreign liquor and coconut toddy arrack, not to be drunk on the premises.*—These will be issued on an annual fee of Rs 1,000 in Madras and Rs. 250 in other Districts, at the discretion of Collectors. Under these licences the sale of liquor in quantities less than two imperial gallons or a dozen reputed quart bottles or two dozen reputed pint bottles of each kind at a time is prohibited. The holders of this licence will have the privilege of issuing to licensed dealers only samples of liquor in quantities not exceeding one pint. In Madras town, holders of this licence will not be allowed to sell 'Indian' beer. Holders of this license are prohibited from selling coconut toddy arrack in bulk to private persons in Malabar district and are permitted to sell it to such persons only in bottles, sealed and labelled in accordance with the bottling rules (*a*).

II. *Retail licences for the sale of foreign liquor, locally made foreign liquor and coconut toddy arrack, not to be drunk at the premises (a).*—These will be of two kinds—one for the sale of all kinds of foreign liquor, except 'Indian' beer and of locally-made foreign liquor and coconut toddy arrack and the other for the sale of beer brewed in India,

† (*a*) The former will be issued at the discretion of the Commissioner and Collectors on payment of an annual fee of Rs. 1,000 in the Nilgiris except Gudalur, Rs. 500 in the town of Madras, Rs. 250 in towns having a population of 25,000 and over and in Kodaikanal, Yercaud and Cochin, in Shiyali, Tirutturaipundi, Tiruvadanai and Tenkasi taluks and Rs. 150 in the rest of the Presidency †. Under these licences the sale of liquor in a quantity less than one reputed pint and greater than two imperial gallons in one transaction will be prohibited.

(*b*) Retail licences for the sale of beer brewed in India will be issued to successful bidders for beer shops on payment of an annual fee of Rs. 60

III. *Hotel licences for the supply of residents in hotels and boarding houses.*—These will be of two classes and subject to a payment of an annual fee of Rs. 500 or Rs 250 in Madras, of Rs. 100 or Rs 50 on the Nilgiris, and of Rs. 50 or Rs. 25 in the rest of the Presidency, as may in each case be determined by the Collector. No liquor may be sold under these licences otherwise than to residents in hotels and boarding-houses for their own use and that of their guests, or to casual visitors requiring liquor with the meal or meals supplied to them.

In Madras a holder of a hotel licence desirous of setting up and maintaining in his hotel a bar or bars may, on payment of a monthly fee of Rs. 100 for a first-class bar or Rs. 50 for a second class bar, be granted a separate licence to be called a bar licence. This will cover the sale of foreign liquor, locally-made foreign liquor and coconut toddy arrack under the same conditions and to the same extent as the tavern licence.

In Madras, special bar licences will also be issued to others than holders of hotel licences with the previous sanction of the Commissioner. The fees in such cases will be fixed by the Commissioner and the licences will entitle the holders to sell to all comers.

IV. *Refreshment-room licences* will be of two classes—

(*a*) *For refreshment-rooms maintained by, or under the supervision and control of, railway companies and proprietors or managers of lines of dak carriages for the supply on the premises of travellers by such railways or dak lines.*—The annual fee payable for each licence will be fixed by the Commissioner from time to time. Under these licences liquor may be sold to *bona fide* travellers, or to other persons served with regular meals in the rooms for consumption on the premises to any extent, provided that no more than one reputed quart of spirits or two reputed quarts of any other kind of liquor sold at the refreshment room may be sold at one time to any such traveller for removal from the premises.

(*b*) *For refreshment-rooms in which the sale of liquor is ordinarily combined with the supply of meals or of eatables prepared and served in the European manner.*—The annual fee will be Rs. 500 in Madras and Rs. 75 in the rest of the Presidency. It will at all times be optional with the Collector to withdraw licences of this description if it should appear that the sale of liquor to persons who have not partaken of meals in the refreshment-room is permitted to such an extent or so habitually that the refreshment-room may fairly be classed as a tavern. Sale of liquor for removal from the premises will not be allowed under these licences. The premises to be used for the sale of liquor under these licences must be at least of the monthly rentable value of Rs. 50 in Madras and in Cantonment and Coonoor Municipalities and of Rs. 25 in the rest of the Presidency.

V. *Occasional licences*, such as licenses for the sale at refreshment stalls in connexion with race meetings and public entertainments. These will be granted by Collectors at their discretion for periods not exceeding ten days at one time and at such fees not exceeding Rs. 100 on each occasion as they may determine. No removal of liquor from the premises will be allowed under these licences.

VI. *Special licences* will also be granted by Collectors in consultation with the officers of the Excise Department when the circumstances are such as not to allow of the issue of licences of any of the above descriptions on such terms and conditions and for such periods as they may on each occasion determine.

---

* The supply of Indian beer from Bangalore Brewery will be restricted to shops which have obtained beer from that brewery during 1922-23.

† NOTE.—In places where there are beer shops, holders of retail licences for the sale of all kinds of foreign liquor, except Indian beer will be permitted to sell beer brewed in India on English principles only in bottles as bottled at the brewery at which it was brewed.

(*a*) Holders of F L-1 and F L-2 licences may stock and sell rectified spirit provided (1) that separate accounts are kept for transactions under this head, (2) that receptacles containing rectified spirits are labelled with labels showing the kind or description of spirit contained therein and the place of manufacture, (3) that consignments of rectified spirits imported from other provinces are not opened before they are verified by an Excise Officer, (4) that accountance maintained in the prescribed form and show in the case of consignments of rectified spirit obtained from other provinces in India, the source of supply route (and name of steamer, if obtained by sea) and such other particulars as may be prescribed. Statistics showing separately the consumption of imported and locally-made rectified spirit also to be furnished.

VII. *Auctioneers' licences*.—Annual fee, Rs. 5. The following are important provisions of this licence:—

(a) Liberty to give sample bottles in respect of all consignments, whether trade consignments or the property of private persons, in order that intending purchasers may have the opportunity of testing high class wines and spirits at their own houses before the auction sale.

(b) Authority to sell wines, spirits and beer in less quantities than whole dozens of each description in the case of sales by auction of the property of private parties or estates or of trade consignments which are sullaged or otherwise unmerchantable.

(c) Authority to sell by auction at places other than that specified in the licence, viz., at any private residence at which the licensee may hold an auction.

VIII. *Licences for the sale of pure rectified spirits*.—These will be issued to chemists and druggists and other firms or persons specially approved by Collectors, on payment of an annual fee of Rs. 10. Under these licences the possession of pure rectified spirits in excess of ten imperial gallons (or such larger quantity as the Collector may, in consultation with the officers of the Excise Department, specially authorize) is prohibited. Pure rectified spirits must not be sold under these licences for other than *bona fide* medical, industrial and scientific purposes, and the maximum limit of sale at one time to the same person is restricted to one reputed pint in the case of sale to a private individual, two reputed quarts in the case of sale to a chemist, medical practitioner or scientific body and three imperial gallons to any Government, Local Fund or Municipal hospital. Receptacles containing rectified spirits should be labelled with labels showing the kind or description of spirit contained therein and the place of manufacture; consignments of rectified spirit imported from other provinces should not be opened before they are verified by an Excise Officer. Accounts should be maintained in the prescribed form and must show in the case of consignments of rectified spirits obtained from other provinces in India, the source of supply, route (and name of steamer, if obtained by sea) and such other particulars as may be prescribed. Statistics showing separately the consumption of imported and locally made rectified spirits should be furnished to Collectors.

IX. *Licences for the sale of medicated wines and similar preparations* containing 20 per cent and upwards but not more than 42 per cent of proof spirit will be issued by Collectors on payment of an annual fee of Rs. 10.

X. *Licences for compounding or vending foreign liquors and locally made foreign liquors* will be granted to holders of wholesale licences by Collectors and licences for *compounding* to licensed distillers by the Assistant Commissioner for Distilleries on payment of an annual fee of Rs. 250.

XI. *Licences for the bottling of foreign liquors, except beer brewed locally and of locally made foreign liquors and second toddy arrack*, will be granted to holders of wholesale licences by Collectors and to licensed distillers by the Assistant Commissioner for Distilleries on payment of an annual fee of Rs. 50.

XII. Any two or more of the above kinds of licences may be granted to the same person for the sale of liquor in the same premises.

XIII. No premises shall be used for the sale of liquor unless and until approved by the Collector.

XIV. All licensees shall maintain and furnish to Collectors statistics showing separately the consumption of imported foreign liquors and locally-made spirits and beers and coconut toddy arrack.

XV. All licences (other than occasional and special licences) will have effect for the official year, i.e., from the 1st April in each year until the 31st March of the following year.

XVI. The full fee on all fixed fee foreign liquor licences shall be paid in advance at the time of issue of the licence.

XVII. For the convenience of the trade, Collectors will, as far as possible, receive and dispose of applications for licences under clause IV (*b*) to have effect during the following official year before the *tavern* sales for that year. Licences for the sale of liquor in enforced refreshment rooms should be very sparingly given.

Should he fail to do so, the initial deposit made by him will be forfeited and the shop will be put up again immediately or otherwise disposed of by the Collector and the defaulter will be debarred from bidding again for the same or for any other shop. The resale will be at the risk of the defaulter who will forfeit all gain and in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale.

2. Successful bidders will be allowed to open their shops only in unobjectionable sites within the limits specified above and at a distance of not less than 100 yards from one another.

3. (a) Every person whose bid is provisionally accepted shall

(i) at once, if so required by the selling officer or otherwise at the close of the day's sale, deposit in addition to the deposits made under clause 1 half a month's rent for each shop knocked down to him, unless the initial deposit equals or exceeds two months' rent;

(ii) at once apply in writing for a license for each shop knocked down to him and within a week from the date of sale, furnish the Inspector of Excise, Madras Town Circle, with the boundaries of the site

selected by him for the location of the shop and the Tahsildar with a statement in the prescribed form (annexed to the Excise Commissioner's Notification No 1, dated 23rd January 1926, published in the *Fort St. George Gazette*, dated 26th January 1926) showing details of the immovable property possessed by him, or in which he has an interest together with accurate and full details of encumbrances, etc., thereon ;

(iii) within fifteen days from the date of sale deposit such further sum as with the deposits already made under sub-clause (i) supra will make up two months' rent of all shops knocked down to him.

(*b*) Further if the Tahsildar is not satisfied that any such person can be trusted to pay his rent punctually and fully, he may require him, in addition to the deposits required under clause (a) (iii) supra, either

(i) to deposit two months' rent of all shops knocked down to him, or

(ii) to execute a mortgage of his immovable property in favour of the Government for all moneys that may become due under the terms of the contract with a power of sale in favour of the mortgage to be exercised in default of payment thereof by the purchaser, or

(iii) to produce a surety or sureties, to be accepted by the Tahsildar, who should execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract and to execute a mortgage deed of his or their immovable property in favour of the Government for the payment of all moneys due under the said contract by the purchaser, with a power of sale in favour of the mortgagee in default of payment thereof, by the surety or sureties or by the purchaser, or

(iv) if the Tahsildar is not satisfied that the value of his immovable property tendered as security is adequate, he may require such person further to produce, in addition to mortgaging his property, a surety or sureties to be approved by the Tahsildar, who shall execute a security bond for the balance of the money that may become due and execute a mortgage-deed of the surety or sureties' property in favour of the Government. The sureties referred to in sub-clauses (iii) and (iv) should submit to the Tahsildar a statement in the prescribed form annexed to the notification showing details of their immovable property. The purchaser shall be bound to carry out the provisions of sub-clauses (i) to (iv) above, within fifteen days from the date of sale.

The bond and the mortgage-deeds shall be stamped and registered at the expense of the purchaser. He shall also be bound to execute a counterpart agreement.

(*c*) On the failure of any person to make a deposit or apply for a licence under clause 3 (*a*) above or to comply with any requisition or to execute any engagement under clause 3 (*b*) above, the deposits already made may be forfeited and the shop may be resold or otherwise disposed of by the Collector. Resales under this condition will be at the risk of the defaulting bidder, who will forfeit all gain and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposits will be deducted from the loss arising from the resale, and the remainder, if any, will be recoverable in the same manner as if it were an arrear of land revenue. Should however the forfeited deposits be greater than the loss by resale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the shop is disposed of otherwise than by resale and such disposal results in loss to Government as compared with the original sale. Disposal otherwise than by resale includes closure.

4. Temporary license will not be issued except in special cases and in no case where the issue of the annual licences is delayed through the failure of the licensee to comply with the conditions set forth above and in the annual notification of the Commissioner of Excise.

AUCTION FOR SUPPLY OF RATION ARTICLES TO THE CENTRAL JAIL, CANNANORE.

Notice is hereby given that the Superintendent will hold an auction at the Central Jail at Cannanore at 11 a.m. on Saturday the 6th March 1926 for the supply of the following articles of rations during the year 1926-27. Intending bidders are requested to be punctual. In the case of suppliers who may be unable to attend the auction, sealed tenders will be accepted, provided they reach the Superintendent on or before the day and hour mentioned above, and are accompanied by the earnest money specified in the schedule. Tenders, which will only be received in printed forms to be had free of cost on application, should be superscribed "Tender for the supply of ration articles to the Central Jail, Cannanore." They will be opened at the time of auction and the offered rates considered along with the bids. The rates should be quoted in pounds and ounces per rupee for delivery at the Central Jail, Cannanore, the quantities being specified in words as well as in figures. Samples of the articles required can be seen

at the auction. Suppliers may bid or tender for all or any one of the articles mentioned in the schedule on depositing the requisite earnest money. All supplies must be up to the samples accepted by them or approved by the Superintendent.

2. Successful bidders or tenderers will be required to enter into stamped agreements with the Jail within seven days from the date of receipt of intimation by them that their rates have been accepted. In addition, they should, before signing such agreements, deposit a security of 10 per cent of the total value of the supplies undertaken (with the approval of the Inspector-General of Prisons, the total amount may be reduced in the case of approved contractors). Failing compliance within the time specified, the earnest money may be confiscated, and, in the event of withdrawal, they will also be liable to pay any difference between the prices accepted and those ultimately obtained by the Jail. The earnest money received from successful bidders or tenderers will be taken towards their security deposits, and those from others returned at the close of the auction.

3. The Superintendent reserves the right to accept or reject any bid or tender without assigning any reason.

4. Contracts should not be sublet.

5. Any rates accepted and contracts entered into will be subject to confirmation by the Inspector-General of Prisons, Ootacamund, whose decision shall also be final in all questions of infringement.

6. As the quantities given against each article in the schedule are only approximate, contractors will be under an obligation to supply the entire requirements during the period of the contract, plus as much as may be needed to last for a whole month thereafter, provided, in respect of the extra quantities, that written orders are given within a fortnight of the termination of the agreement. At the same time, the Superintendent does not bind himself to receive the quantities or numbers noted in the schedule if they are not required.

7. No article is to be supplied to the Jail except on a requisition signed by the Superintendent, or some responsible person authorized by him in writing to do so 'by order'.

8. No advance of cash will on any account be made to the contractors when giving orders, nor will the Jail pay freight or other charges on consignments to be afterwards deducted from bills, but payment for articles delivered at the Jail on order will be made promptly after they have been inspected and passed. Contractors must submit to receive payment of their bills in whole rupees, to which and annas forming part of the sum due on each bill will be disregarded, unless they constituted a fraction equivalent to half rupee or more, when they will be treated as a whole rupee for the purposes of the account.

9. During the prevalence of plague in the vicinity of the Jail or in that of the areas from which supplies are drawn, all grain, etc., will be liable to be first exposed to the sun outside before being taken in. Also if for any other reason the Superintendent considers exposition of the articles to the sun necessary.

10. Contractors are required (under a penalty not exceeding Rs. 25) to invariably send with each supply a memorandum or advice note, duly signed, showing the number or quantity tendered for acceptance. Also to sign and return, within a week of payment by cheque, each order or remittance transfer receipts, all connected bills forwarded by the Superintendent for the purpose. Questions in connexion with any supposed short payment may be referred to the Superintendent, separately, but are not to be made an excuse for delay or refusal to sign.

11. In addition to any difference in prices that may be recoverable from contractors on account of purchase rendered necessary elsewhere by failure, neglect or refusal on their part to supply according to the terms of their agreements, a fine not exceeding Rs. 50 may be levied at the discretion of the Superintendent for each and every such case of default. For repeated infringement of the stipulations of the contract or for other justifiable reasons, he may also annul it, recovering all losses sustainable by the Jail in consequence of the annulment, from the security deposited by the contractors, or other monies due to them, and, in the event of any residue by legal measures, if so advised.

12. All wastage found to occur in excess of the respective percentages prescribed in the schedule will have to be made good by the contractors.

13. Further information on any point concerning this notification can be had from the Jail office.

14. When once the rates offered at an auction or by tender have been accepted, lower quotations from others to the Superintendent and to the Inspector-General of Prisons will not be considered.

Bill No. 2 of 1926,—The Madras Civil Courts (Amendment) Bill, with Statement of Objects and Reasons 11

Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

LEGISLATIVE DEPARTMENT.

The following Bill was introduced in the Legislative Assembly on the 21st January 1926 :—

No. 2 of 1926.

A Bill further to amend the Madras Civil Courts Act, 1873.

III of 1873. WHEREAS it is expedient further to amend the Madras Civil Courts Act, 1873, for the purpose hereinafter appearing; It is hereby enacted as follows :—

1. This Act may be called the Madras Civil Courts (Amendment) Short title. Act, 1926.

Insertion of new section 29 in Act III of 1873.

2. After section 28 of the Madras Civil Courts Act, 1873, the following section shall be inserted, namely :—

Exercise by Subordinate Judge or District Munsif of jurisdiction of District Judge in certain proceedings.

"29. (1) The High Court may, by general or special order, authorize any Subordinate Judge or District Munsif to take cognizance of, or any District Judge to transfer to any Subordinate Judge or District Munsif under his control, any proceedings under the Indian Succession Act, 1925, which cannot be disposed of by District Delegates. XXXIX 1925

(2) The District Judge may withdraw any such proceedings taken cognizance of by, or transferred to, a Subordinate Judge or District Munsif, and may either himself dispose of them or transfer them to a Court under his control competent to dispose of them.

(3) Notwithstanding anything contained in section 13, proceedings taken cognizance of by, or transferred to, a Subordinate Judge or District Munsif under the provisions of this section shall be disposed of by him subject to the law applicable to like proceedings when disposed of by the District Judge :

Provided that an appeal from an order of a District Munsif in any such proceedings shall lie to the District Judge."

STATEMENT OF OBJECTS AND REASONS.

In order to afford relief to the District Judges in the Madras Presidency, the Civil Justice Committee have recommended that a provision should be inserted in the Madras Civil Courts Act, 1873 (III of 1873), on the lines of section 23 of the Bengal, Agra and Assam Civil Courts Act, 1887 (XII of 1887), so as to enable the High Court by general or special order to authorize any Subordinate Judge or Munsif to take cognizance of, and any District Judge to transfer to a Subordinate Judge or Munsif under his administrative control, any proceedings under the Indian Succession Act, 1865, and the Probate and Administration Act, 1881 (both of which Acts have now been replaced by the Indian Succession Act, 1925), which cannot be disposed of by District Delegates. A similar provision also exists in section 28-A of the Bombay Civil Courts Act, 1869, section 19 of the Central Provinces Courts Act, 1917, and section 30 of the Punjab Courts Act, 1918. The Committee's recommendation has received the support of the Government of Madras, and the Bill seeks to give effect to it. Central legislation is proposed, as the powers of the nature conferred by section 23 of the Bengal, Agra and Assam Civil Courts Act, 1887, are not powers which section 108 of the Government of India Act declares the Madras High Court to possess, and the conferment of those powers by the local Legislature would be *ultra vires* of section 108 read with sub-section (4) of section 80-A of the latter Act.
